TYPE 1 FIRE PERMIT APPLICATION: MOBILE FOOD VEHICLES

FEE: \$54 (please make checks payable to: Wall Township Fire Bureau)

The Uniform Fire Code States:

“Permits shall be required and obtained from the local enforcing agency for the activities specified in this section, except where they are an integral part of a process or activity by reason of which a use is required to be registered and regulated as a life hazard use. Permits shall always be kept in the premises designated therein and shall always be subject to inspections by the Fire Marshal”. [N.J.A.C. 5:70-2.7(a)]

1) N.J.A.C. 5:70-3, 319.10.3 requires that liquefied propane gas (LP-gas) containers and fuel-gas piping systems be inspected annually by an approved inspection agency or a company registered with the U.S. Department of Transportation to requalify LP-gas cylinders. An approved inspection agency includes plumbers licensed pursuant to N.J.A.C. 13:32. The purpose of this inspection is to ensure the system components are free from damage, suitable for the intended use, and not subject to leaking. The approved inspection agency must affix a tag onto the system indicating the name of the agency (including license number) and the date of the satisfactory inspection; and

2) N.J.A.C. 5:70-3, 319.8.5 food preparation vehicles containing LP-gas must be provided with a LP-gas alarm; N.J.A.C. 5:70-3, 319.9.4 food preparation vehicles containing compressed natural gas (CNG) must be provided with a methane alarm. These alarms must be installed in the vicinity of the system components in accordance with the manufacturer’s instructions.
